

We want to hear from you BS3

Many people in BS3 say they want to make their streets better and improve the walkability of their local area. We have created a survey to capture data from residents, the survey takes 5 mins to complete & has been developed in collaboration between BS3 Community Development, the charity that runs the Southville & Chessel Centre's, Bedminster Over 55's Social Group and the University of Bristol.

The survey focuses on two particular issues raised by community members: -

- changes to (the visual make up of) the Bedminster area that might affect walking routes and
- the introduction of graffiti street art

This survey tries to understand how people perceive their local area at the moment and whether changes to the local area in the last few years have improved walkability. The project is called "URBAN VISION – Understanding the impact of visual environments of cities on physical and mental well-being"

From initial conversations, problematic streets in BS3 have been identified and include Chessel Street (volume of traffic / cut through for commuters) and East Street (confusing layout for a pedestrianized area).

Based on findings from this survey we will focus on issues that are highlighted, challenge the council and discuss with the community ways of improving areas.

Do you live in BS3? Yes No Prefer not to say

- If yes, which street do you live on? -----

Please continue with this questionnaire only if you live in BS3.

This survey was designed to allow participants to maintain their anonymity. Participation in this survey is entirely voluntary, and you have the right to withdraw without having to give a reason at any time before submitting the survey. We take data security and privacy very seriously, we find it important to reassure you that the data we collect for the purposes of this

survey will be used only for the purposes of this survey. Once the data entry exercise has been performed, all paper surveys will be shredded

Section A: About your local area

We'd like to ask you about the neighbourhood where you live. By neighbourhood we mean the area that you could walk to in 10-15 minutes from your home.

1) How well does your street score?

(Please tick each statement of the *Great Street Check List* developed by the Greater Bedminster Community Partnership that is correct for your street)

<input type="checkbox"/>	a. Most people know most people, at least to nod and smile to, and residents of all ages interact freely and feel safe and welcome in the street. Lots of people walking and cycling
<input type="checkbox"/>	b. Lots of Good Garden Awards with interesting and bright gardens, window boxes and hanging baskets
<input type="checkbox"/>	c. Minimal obstructions, dirt and clutter on the pavement with even, trip-free surfaces
<input type="checkbox"/>	d. Considerate car parking and car speeds within the law
<input type="checkbox"/>	e. Any odd spaces developed as 'community gardens' rather than fly-tipping opportunities; art work on some walls
<input type="checkbox"/>	f. Communication – street noticeboard, emails / social media, face-to-face meetings
<input type="checkbox"/>	g. Sharing, swapping, street library etc.
<input type="checkbox"/>	h. Informal support networks, e.g. babysitting, taking in parcels, lifts for older people, garden advice
<input type="checkbox"/>	i. At least one BBQ, street party, playing out or other community event per year
<input type="checkbox"/>	j. Organised into a residents' group, neighbourhood watch etc. linked to wider area networks such as the neighbourhood partnership
