Volunteering Opportunity

Do you have a spare afternoon twice a month?

We are looking for fun, outgoing volunteers to help support the dementia group based at the Southville Centre. The volunteers will help to support us in providing positive experiences for older people who are living with dementia.

We run two drop-in groups per month on alternate Wednesday afternoons. Core hours are normally 2-4pm however an earlier and later start is often needed to support the community transport team in escorting people to the centre and back home.

The role would involve interacting with attendees, making sure they feel comfortable and are able to join in, helping out on the minibus and making cups of tea! The group has a trained driver and group leader.

When and Where	The Southville Centre Alternate Wednesday afternoons
Support offered	Reimbursement of travel expenses, tea and coffee Access to supervision and induction Potential access to specialist training
What could you gain?	A chance to meet new people, be part of a positive group and make a real difference to people's lives. Opportunities to acquire skills and experience in the health and social care field.

You will need to have patience, a sense of humour and be interested in supporting older people.
