

Pass the Parcel shows BS3 festive spirit!

This festive season, BS3 Community Covid-19 Response group, BS3 Community Development and BS3 Community Larder have come together to organise the biggest gift donation drive BS3 has seen to date.

The team of groups have coordinated with other organisations to ensure that they reach as many of those in need as they can, so they get a little something special this Christmas. Local schools, as well as local shelters and the tenants at Help Bristol's Homeless accommodation

will be given the gifts donated. A gift wish list has now been set up – you can find the link at bs3communityresponse.co.uk or on their Facebook page.

The gift list will link to a local BS3 shop that sells a suitable gift item to donate, so that any money spent goes back into the community, and they will ensure that the gift gets passed on to the right recipient.

For further details, call 0117 3812181, email bs3.covidresponse@gmail.com or visit the website.

News from the charity that runs the Southville Centre and the Chessel Centre.

Nursery enjoying nature

During the second lockdown, our Early Education and Childcare Team continued to deliver well-being activities with the children and helped them to process and understand their feelings. One of the ways we do that, is to encourage the children to play and learn in the fresh air and to be mindful i.e. taking some time to think about, look at, listen to, and feel nature around them.

Our gardens really are beautiful even through autumn and into the winter and we are so pleased to be able to give them such a gorgeous space to play in.

Christmas closure

We will be closing at 6.00pm on Tuesday 22nd December and reopening on Monday 4th January. Merry Christmas!
