

Community Webs

Social Prescribing

Community Webs is a **FREE** service providing patients with access to support, activities, groups and much more within the BS3 Community and beyond.

After referral, together with one of our link workers you will be able to:

- Explore what is important for your health and wellbeing.
- Identify the local activities and services you can benefit from.
- Gain support and encouragement to start using services that can help you.

For specialist help in debt and welfare benefits contact South Bristol Advice Services: 0117 9851122
