

# Connect with Ease

## LESSON 4

Apple Devices - App Store  
Android - Google Play App  
Windows - Marker App

### Opening an App

- Locate the app.
- Double click on the image.

### Deleting an App

**Apple devices.** Hold your finger on the app until they all begin to tremble then press X to make it disappear.

**Android.** Settings then apps. Tap the app and select uninstall.

**Windows.** Flick your finger left to bring up installed apps. Locate app, tap and hold then select uninstall.
